This state-of-the-art mobile interactive tour will visit select two-year and four-year educational institutions as well as special events. Designed to actively engage young adults, the tour will afford attendees the opportunity to participate in interactive activities that showcase advanced technology, challenge the body and mind, and highlight the many diverse career opportunities available in the U.S. Army.

A 53' interactive trailer will anchor the event site which will include:

- ★ Rock Climbing Wall - an imposing 24' rock wall dares attendees to reach the summit
- ★ Motion Simulator Ride - a six person capsule simulates an action adventure experience
- ★ Video Wall - a 9' x10' hi-tech television display of dynamic U.S. Army film footage
- ★ "Soldiers of the Future" Display - a 3-D and audio interactive exhibit exposes futuristic soldier systems concepts
- ★ Game and Informational Kiosks - goarmy.com navigation and "America's Army"- The Official U.S. Army Game
- ★ Parachute Simulator - virtual reality sky diving experience

AN ARMY OF ONE™

This highly intimate experience will educate and test the skill of attendees while inciting a sense of adventure and inspiration. Upon completion of the activities, all attendees are offered free give-a-ways such as personalized dog tags.
